

FM Unit Design Template

Teacher:	Unit Title:
----------	-------------

Grade:	Subject:	Year:	Pacing Timeline: Start: End:
--------	----------	-------	------------------------------------

Resources that can be used for developing the following:

All available with links from www.sau60.org

*Student Learning Expectations (FM Learning Outcomes)

*GLEs/GSEs: www.nheon.org

*Content Knowledge: www.sau60.org/curriculum

*Skills: FM Learning Outcomes www.sau60.org/curriculum;

*Other Skills: [Information Literacy Standards](#), Technology Curriculum Skills Checklist or its replacement in the new Tech Plan

*Differentiated Instruction: www.sau60.org/curriculum

*Assessment

*Affective Education: Developmental Assets

1. What are the GLEs/GSEs targeted?

2. What Content Knowledge, (including vocabulary), will be gained?

3. What Skills will be practiced?

4. What other Core Curricular skills will be emphasized and practiced?
(e.g. Technology Curriculum Skills; Critical Thinking Skills....)

5. What will be the major learning experiences?

6. How will you know the GLEs/GSEs were achieved?

7. How will instruction be differentiated? Three levels?

8. Reflections and results: What will you do if students don't learn?
