

SCHOOL BOARD STANDING COMMITTEE

The School Board shall be assisted in carrying out its responsibilities by the use of standing committees appointed by the School Board Chairperson from the School Board membership. The number of committees and responsibilities of the individual committees shall be at the discretion of the School Board Chairperson.

“Ad hoc” committees may be created by the School Board for special assignments. When so created, such committees shall be appointed by the Chairperson and shall terminate upon completing their assignments or may be terminated by vote of the Board at any time.
