

## **ACCIDENT REPORTS**

In case of accident, the responsible party must fill out an accident form the day of any accident.

All accidents judged to be other than minor require an accident report to be filled out and filed with the Principal within 24 hours of the incident. If the accident involves the services of a physician and/or is likely to result in an insurance claim, two accident reports are to be prepared: one copy filed at the school office and one copy to the District's insurance carrier. If the incident is not one involving a physician and is unlikely to be an insurance case, it will be sufficient to prepare one copy to be filed at the school.

The procedures for accidents and accident reporting are to be reviewed in September by the Principals, with the staffs of each school

The School Nurse, or his/her designee, shall report all instances of the use of an AED with the New Hampshire Department of Safety.
