

## FREE AND REDUCED MEALS

The Fall Mountain Regional School District Board will provide free or reduced rate meals to all children who qualify under the guidelines of the National School Lunch Program.

On the first day of each new school year, Free and Reduced Lunch Applications will be sent home to all students as part of their opening day materials packets. Students who register for school after the first day will receive an application upon registration.

All completed applications will be reviewed by the Business Administrator and/or his/her designee and will be approved or rejected by the Business Administrator.

Appeals of the decision shall be made promptly in writing to the Superintendent of Schools, whose decision shall be final.

All school provided lunches shall be obtained by the use of "lunch tickets," coded in a manner that will allow for a method of accounting that will not stigmatize any student.
