

**COMPUTER USE POLICY: STUDENTS AND EMPLOYEES**

The purposes of computer use in Fall Mountain Regional School District (FMRSD) are to support learning and student outcomes as well as allow for the completion of various administrative activities. When accessing computers and the networks, each individual's activity must be consistent with the educational goals and objectives of the FMRSD, and follow School Board regulations.

All electronic data, which is transmitted and/or received on or through a computer owned by, or using the connectivity of FMRSD, is the property of the District in its entirety. The use of school computers is a privilege and may be revoked at any time for any infraction of the policy and procedures set forth by the School Board.
