

GIFTS TO AND SOLICITATIONS BY STAFF

No Fall Mountain Regional School District employee will accept or solicit any gift, favor, service, or other benefit that could reasonably be construed to influence the employee's discharge of assigned duties and responsibilities. An employee who believes he or she has or may have a conflict of interest will disclose the interest to the Superintendent or designee, who will take whatever action is necessary, if any, to ensure that the district's best interests are protected.
