

CHAPERONES FOR SCHOOL ACTIVITIES

The Fall Mountain Regional School Board believes that the safety and well-being of children, while participating in school sponsored activities, is the prime responsibility of the District. The School Board requires that the number of chaperones supports the safety and well-being of students and, therefore, should be a ratio more appropriate to the age level and activity. Final determination of (the number of) chaperones will be made by the building administration.

Rules of behavior will be the same as for any school activity or event as outlined in the parent-student handbook.

Designated volunteers are subject to the provisions of Policy GBCD – Background Investigation and Criminal Records Check.
