

SUPERVISION OF PUPILS

The Board believes that the safety and well-being of children is a prime responsibility of the District. Supervision of all pupils at all times is a necessary adjunct to safety and well-being.

It shall be the responsibility of the administration to insure that all pupils are under supervision from the time that they board a bus, or arrive on the school premises at a reasonable time before school begins until they leave the bus or depart from the school premises after the school day is completed.
